

Attention String Players!

The Prince George's Philharmonic is recruiting string players. If you play violin, viola, cello or bass, we'd like to hear from you!

If you played in youth orchestra, why not rediscover the joys of performing? All ages (high school and above) and musical abilities will be considered. The Philharmonic is an active volunteer community orchestra that performs five concerts per season.

Rehearsals are Wednesday nights from 7:30-10 pm, at Northwestern High School, at 7000 Adelphi Road in Hyattsville (near the Univ. of Maryland).

If you would like to audition or sit-in on a rehearsal, please fill out an [Orchestra Audition](#) request under the "Membership" section.
